Customer Reviews

We like the book, the songs, the level of music. The reason I bought this particular book was for the piano accompaniment. There is NONE. I don't know if I need to buy a book to go with it or not. Very disappointed.

Great collection of praise songs for the Alto Sax! Will be useful in my ministry to my church! I've been looking for this!

Too hard. I need beginners books.

Just what I wanted.
