Customer Reviews

I needed this text for a PR class I am taking. It has some very relevant examples and it is very clear so reading it is not so bad. I was required to buy it for class - but I have enjoyed learning from it.

I was required to purchase this textbook for a PR class and it proved to be very helpful. There are clear, relatable examples that have made the learning process easier. It felt more like a reference guide than a textbook.

textbook for a course i’m taking - excellent reference for all forms of written communications, plus strategies for media.this is one book i will NOT sell back.highly recommended.

Well written and relatively engaging.
Good book with a lot of good content in it.
