Customer Reviews

This text was so helpful throughout my Public Relations Writing class and is now still helpful that I am graduated. I love that this text book came three hole punched - I put the pages into a binder and it was much more convenient than a big thick, hard cover book. I was able to keep all of my class material in the same binder that my text was in and now I can go back and refer to all of that at once. I’d highly suggest not only the book, but getting it three hole punched from this seller.

Great!! No complaints.
