Learn English With Funny Jokes

Synopsis

Warning: This book contains content not suitable for children. Learning English through jokes has many practical advantages. They can be used to learn both spoken and written English because the jokes contain both descriptions of a situation and casual daily conversational English. Another advantage in learning English through jokes is that it helps you understand the culture as well, as they contain situations that reflect on the way of life and mindset of a society, and use casual English like a real native English speaker would, unlike traditional English teaching books that may use phrases that sound too constructed or are too outdated and no longer used. Learn English with Funny Jokes consists of 99 funny jokes by Gary Kim, recorded by a professional voice actor. Each joke will make you roll over with laughter, so you can enjoy the jokes and study English at the same time. If you are learning English as a second language, Learn English with Funny Jokes is a great way to improve your listening, speaking, reading, and writing skills. It is also great for learning and practicing conversation patterns for daily use. Also included in this book are English sentences for practicing writing, ranging from simple everyday phrases to surprisingly tricky sentences, and conversation patterns that use the same word or phrase in different, practical forms.

Book Information

Audible Audio Edition

Listening Length: 2 hours and 5 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Gary Kim

Audible.com Release Date: September 25, 2014

Language: English
