Talk English: The Secret To Speak English Like A Native In 6 Months For Busy People

Synopsis

You have studied English for years, yet you still don't speak English well. You have tried many methods, and you still make grammar mistakes, you still can't speak English fluently, and you still can't pronounce English words correctly. You can read, but you feel nervous to speak English or are too shy to speak English. The good news is this is very normal. You have simply used ineffective methods to learn to speak English. My name is Ken Xiao. I was in your situation before, but now I can speak English like a native, and I accomplished that in six months. I'm going to teach you how to completely get rid of your accent and develop an American or British accent to speak English just like a native, and I'll teach you how to accomplish that in just six months. In this book you'll learn:

- How to speak like a native in six months or less
- How to do that effortlessly on a busy schedule
- How to speak English without translating it first
- How to learn grammar without memorizing grammar rules
- How to build a vocabulary that lasts
- How to speak English fluently, correctly, and naturally, just like a native
- And more to make you speak English like a native speaker

You have studied English for years, yet you still can't speak English well. The reason is simple: The methods you used were ineffective. Change your way of learning now. Learn from the success of one who was in your situation before and is getting the results you want now. You can succeed by simply doing what I have done before. Effortlessly follow the step-by-step instructions in the book to achieve the highest level of fluency and speak English like a native speaker. Get this book now.

Customer Reviews

Talk English is each a private guide into however the author learned English also as associate

degree informative book on effective methods on learning any language. I found the guidelines written to be terribly sensible and possible. Repetition is often sensible once managing languages. The author even self-enclosed footage of his journey, that was awing and could be a good supply of inspiration for those troubled to find out English.

I have studied English for years in the high school but I still have problems when I have to speak the language. With the help of this book I have already get rid of my terrible accent and I can make conversations with more confidence. I am really happy that I have found this book, because it's easy to understand explanations gave me a lot more knowledge than the other usual language books. Thanks for the author!

This has been quite a read. For anyone whose major language is not English, this book will be a great help. First, it has been written by someone who has been thru it all, so I think this is a credible book. It has given actual situations and tested tips that will surely come handy for anyone needing them. I think this book will go a long way in reaching out and helping non-English natives to be 100% speakers soon.

I'm an ESL teacher and actually self taught myself Japanese this way. His method is a very effective way to gain fluency. The author does a really good job of outlining how to do it and I really recommend this to anyone who wants to improve their skills.

I grabbed this book with the hope of improving my English communication skills. I was honestly expecting English lessons and exercises in this book. I should have re-read the title before purchasing it. Nevertheless, it did not disappoint me. I like it that the author set a personal tone as if he's directly speaking with his audience. I have learned a lot from the personal experiences he shared. This is recommendable for anyone who would want to learn how to speak English fluently. This book is not only informative but inspirational too.

It's great for busy people who have problems with free time. Although learning English is very important and you should set aside some time to immerse yourself in it! My mother is an English teacher, but I find it hard to deal with her, so I'm trying to learn the language for myself. I like it dialect, the pronunciation of words. I'm watching a movie in English, but now I have this book, I hope in 6 months I'll know it.

This book is a great book for those who wants to learn the secret to speak English like a native in six months, Full of tips to learn the English language, Amazing book for real, I liked all the tips and techniques mentioned in the book for learning English the Easy way. A very simple and good reference to help you become a native in English, highly recommended.

I decided to buy this book in an attempt to improve my English, after reading through this book i can honestly say that it helped me to greatly improve my vocabulary. I liked how the author made it easy to understand and i liked the chapter that talked about speaking like a native which i thought was interesting. Overall great book on english
