Authentic to the soundtrack. This is the real version, not some watered-down rearrangement. Not for the beginning pianist, however, though the reward is a set of beautiful piano arrangements you will enjoy.

The rags are presented in near-original format along with Marvin Hamlisch’s renditions as played in the movie. I was pleased to find "Luther", the mournful dirge for the character’s death early in the movie that prompted Hooker to meet up with Gondorf to get the "sting" in operation.

I gave this sheet music as a birthday present to a dear friend who plays piano (I don’t). She absolutely loves it (and ragtime in general). She now plays it for us when we are visiting at her house...everyone really enjoys it!
