IMPORTANT: READ THIS BEFORE OPENING
The Access Code contained in this package (whether activated or not) cannot be resold or otherwise transferred, and cannot be returned once opened. In addition, the Access Code and the online product or service accessible through activation of that Access Code is also governed by the additional terms contained in the agreement (which may include terms of use or terms of service located at the Agreement URL, Universal Resource Locator) issued above the "Agreement." Please read the Agreement carefully before opening this package, as opening the package will indicate your acceptance of the foregoing requiring the Agreement. If you do not agree to the foregoing (including the Agreement), then Cengage is unwilling to provide the Access Code and online product or service to you, and you should promptly return the unopened package together with proof of purchase to the place of purchase and your purchase will be refunded.
**Synopsis**

Get your students workplace-ready with SAM 2013, the market-leading proficiency-based assessment and training solution for Microsoft Office 2013! SAM's active, hands-on environment helps students master Microsoft Office skills and computer concepts that are essential to academic and career success, delivering the most comprehensive online learning solution for your course! Through skill-based assessments and interactive trainings, plus comprehensive remediation, SAM 2013 engages students in mastering the latest Microsoft Office programs on their own, giving instructors more time to focus on teaching. Computer concepts labs supplement instruction of important technology-related topics and issues through engaging simulations and interactive, auto-graded assessments. With enhancements including streamlined course setup, more robust grading and reporting features, and the optional integration of fully-interactive MindTap Readers containing Cengage Learning's premier textbook content, SAM provides the best teaching and learning solution for your course.

#4015 in Books > Computers & Technology > Software

**Customer Reviews**

Beware this does NOT include Projects which most classes in college require "Assessment, Training and Projects v1.0". I Bought this and then had to end up spending more money on the actual SAM that we needed for class. It is my fault for not reading fully. Ended up spending a lot more money then saving ;(
This is a perfect example of how NOT to teach. The software is frustrating, and often does not accept correct answers/methods of doing something. Required to purchase this for a required intro tech class for my significant other, otherwise I would have never purchased it. Avoid at all costs.

DONTTTTT BUY IT WASTE OF MONEY, ITS ONLY GIVES ACCEESS TO TRAINING, YOULL HAVE TO BUY AGAIN FOR THE PROJECT WORKS. had to buy the another code for the same amount. same amount you can get both training and project

DO NOT BUY THIS PRODUCT. It's not what you're looking for. This only includes the key code for accessing SAM, not the training material! WASTE OF MONEY!!!!!!!!!!!!

If I could give it zero star I would definitely do it! This code was wast of money! I entered it and it said this code was already in use! So I have to go to school book store and buy it again!

Quick delivery, would order again from this supplier. The product was in brand new condition just as advertised.
