Cockroaches: The Second Inspector Harry Hole Novel

DOWNLOAD EBOOK
Synopsis

When the Norwegian ambassador to Thailand is found dead in a Bangkok brothel, Inspector Harry Hole is dispatched from Oslo to help hush up the case. But once he arrives Harry discovers that this case is about much more than one random murder. There is something else, something more pervasive, scrabbling around behind the scenes. Or, put another way, for every cockroach you see in your hotel room, there are hundreds behind the walls. Surrounded by round-the-clock traffic noise, Harry wanders the streets of Bangkok lined with go-go bars, temples, opium dens, and tourist traps, trying to piece together the story of the ambassador’s death even though no one asked him to, and no one wants him to - not even Harry himself.

Customer Reviews

English speakers were first introduced to the work of Norwegian author Jo Nesbo and his damaged main character Harry Hole, in 2006, with the publication of The Redbreast, the third book in the Harry Hole series, a novel so good that it won the award for Best Norwegian Crime Novel Ever Written, as chosen by Norwegian Book Clubs. Now, after eight enormously successful novels in that series, Nesboâ€™s publishers have published the first two novels of the series, The Bat, and Cockroaches, written when Nesbo was a much less accomplished novelist than he has become in the ensuing fifteen years. In Cockroaches, Detective Harry Hole is chosen by the Norwegian Foreign Office to go to Thailand to investigate the murder of Norwayâ€™s ambassador to Thailand, who has been found in a brothel with an elaborate old knife in his back. Hole himself is a psychological mess, an alcoholic trying to stay sober, and he has no interest in going to Thailand, even for a short time,
to investigate this murder. He suspects he has been chosen because they expect him to fail so the foreign office can close the case without having to reveal nasty and embarrassing details. In Bangkok, Harry gets started on the case and quickly discovers that the ambassador was a practitioner of many perversions, including paedophilia and child pornography. The knife used to kill him belonged to the most powerful heroin dealer in history, who now finances most of the new hotels in Burma and manages the opium trade in the north of Thailand. In addition, the ambassador is addicted to gambling and is indebted to loan sharks.
